Important: To prevent changes to your coverage in Ambetter from Sunshine Health, please respond to the Health Insurance Marketplace

You're receiving this letter because the Health Insurance Marketplace informed us that they need more information from you to verify the information in your application for coverage through the Marketplace is accurate. The Marketplace needs the following individuals to submit additional documentation:

Unless you have already heard from the Marketplace that it has the documents it needs, please send the Marketplace a copy of the documents previously requested by going online and uploading them to your Marketplace account, or by mailing them to the Marketplace at the address below. This will allow the Marketplace to process your paperwork faster so you can continue receiving the health coverage, and tax credit and/or cost-sharing reductions, as applicable, that you are eligible for.

For more information about the documents the Marketplace needs from you, **visit your Marketplace account at [HealthCare.gov](https://www.healthcare.gov) or call 1-800-318-2596 (TTY: 1-855-889-4325)**. When you're connected, be ready to provide your state and then ask for a representative to help you.

Please disregard if you have already contacted the Marketplace about these documents.

What should I do next?

1. Look at the previous notice you received from the Marketplace to verify what types of documents you need to submit. Below is a full list of documents for different situations; send only copies of the information needed for your situation.
2. Upload a copy of the documents to your Marketplace account. This is the fastest way to get your documents processed. If you can't upload your documents, you can mail them to the address below. If you mail documents, be sure to mail a **copy**, and keep the originals for your records.

6. Click the small green “Upload” box

Where should I send my documents?

If you choose to mail your documents rather than uploading them, send a copy of the documents to:

Health Insurance Marketplace
Attn: Supporting Documentation
465 Industrial Blvd.
London, KY 40750

What happens if I don't submit documents?

If the information the Marketplace requested was about your citizenship or immigration status, you'll lose your eligibility for coverage through the Marketplace if it doesn't receive your document(s) within the timeframe listed on the notice the Marketplace mailed to you. You have the option to continue your coverage outside of the Marketplace, but you won't be able to receive a tax credit or cost-sharing reductions. Please contact Ambetter from Sunshine Health directly if you wish to continue coverage outside the Marketplace.

If the information the Marketplace requested was about your income, and it doesn't receive your document(s) within the timeframe listed on the notice the Marketplace sent you, the Marketplace will use information available through available data sources to recalculate your eligibility and amount of tax credit or cost-sharing reductions, which means you might lose some or all of the help you're getting to pay for your coverage. Additionally, if your tax credit or cost-sharing reductions are recalculated, when you pay your taxes next year, you may owe money to the federal government.

Sincerely,

Ambetter from Sunshine Health
